LEADING FROM THE FRONT

Mr, Narender Reddy is a young and dynamic entrepreneur with great appetite for success , His initial tryst with Facility Management began in the year 2007, where he floated companies offering House -keeping & security solutions as distinct entities . By implementing innovative client-centric practices and employee-centric Practices, he Architected unrivaled success for those companies.

It is his vision for future and quest for growth that has given shape to Care India Facility Management Company which is aimed at bringing most comprehensive range of Facility care Services under one roof

Although, compelled to leave a budding career in Indian Army, the values of discipline, work ethic, patriotic fervor and commitment continue to inspire his way of life. His strong personal belief in the principle that “ There's no substitute for Hard Work, Integrity and Quality “ echoes in every aspect of Care India, Be it the People, Processes or Functioning. In Short,

Care India, happens to be his pet dream through which he desires to play his part in nation building.

" A Customer is the most important visitor in our Premises. He is not dependent on us. We are Dependent on him. He is not an interruption on work he is the purpose of it. He is not an outsider on our business, but he is a part of it. We are not doing him a favour by serving him, He is doing a favour by giving us an opportunity to do so.
